Instructions: Tie the rya yarn to the backing
with the help of a crochet hook according to
diagram, creating the pile of the rya rug. Cut
a piece of backing 55 x 57 squares in size.
Fold 5 sqs from each side to the wrong side,
tidy the corners by cutting off extra backing
(= 45 x 47 sqs) and fasten folds with sturdy
sewing thread.
Cut rya threads as follows: Wind a ball
of each colour, put the ends of the yarns
together and cut bunches of appr. 15 cm in
length. Tie these bunches to each sq of the
backing with a rya knot. Begin from bottom
of backing using the crochet hook as follows:
Take a yarn bunch, fold it in half, put the hook
through the backing under the bottom edge of
the square, pull threads through. Both the open
ends and the loop end on the hook are now on
the right side of the backing. Thread the ends
through the loop and tighten the knot into the
backing. Do not stretch the plastic backing!
When you have made a row, even the pile to a
length of 3 cm.
Finishing: Gently brush the rya rug pile with a
soft brush. Sew a thin felt sheet to the back side
of the rug. Sew a durable hanging loop to the
back appr. 3 cm from the upper corners.
