**INFO:** The pillow is worked back and forth in single crochet stitches, carrying the other yarn inside the stitches throughout the work. Make sure not to pull the carry-on yarn too tight; keep it loose. Leave the carry-on yarn one stitch from the end of each row to make sure the yarn loops will not show on the right side of the work. Change the color of the yarn in the last yarn over of the stitch.

When running out of yarn in the middle of the work, crochet the new yarn together with the stitches for about 20 cm, then change to the new yarn and weave in about 20 cm of the tails.
