**Body:** The body is worked from the hem to the underarms in the round and the sleeves the same from cuffs to underarms. Body and sleeves are joined onto one circular needle and the yoke is then worked in the round. Using smaller circular needle and dark grey (beige) yarn, cast on 132-140-148-156-168-184-200 sts. Work 5 rnds in St St in the round. Attach a removable stitch marker to denote the beginning of round and move the marker as you progress. Next, work 6 rnds in Rib St. Change to larger circular needle, start working in St St and at the same time increase 2-4-2-4-2-4-2 sts evenly = 134-144-150-160-170-188-202 sts. When the work is 40-41-43-44-45-47-48 cm from the cast-on edge, leave the body on hold and work sleeves.

**Sleeves:** Using smaller DPNs and dark grey (beige) yarn, cast on 32-36-36-40-40-44-44 sts. Work 5 rnds in St St in the round. Attach a removable stitch marker to denote the beginning of round and move the marker as you progress. Next, work 6 rnds in Rib St. Change to larger DPNs, start working in St St and at the same time increase 4 sts evenly = 36-40-40-44-44-48-48 sts. Continue in St St in the round and at the same time work increases on each side of the marker as follows: K1, inc 1 (= lift the loop between stitches from front to back and knit this loop through the back leg), knit to 1 st before M, inc 1, K1. Work a similar increase round every 9th-8th-7th-7th-6th-6th-6th round, 7-7-9-9-11-11-13 times more = 52-56-60-64-68-72-76 sts. Change to 40 cm circular needle as the number of stitches grow. When the sleeve is 44-45-46-47-48-49-50 (45-46-47-48-49-50-51) cm from the cast-on edge, place 7-8-8-9-10-13-15 sts from underarm on hold onto waste yarn = 45-48-52-55-58-59-61 sts. Work the second sleeve the same.

**Yoke:** Join the stitches of the body and the sleeves onto one larger circular needle as follows: Knit 33-35-37-39-41-43-46 sts from back, place next 7-8-8-9-10-13-15 sts onto waste yarn for underarm, knit 45-48-52-55-58-59-61 sts from left sleeve, knit 60-64-67-71-75-81-86 sts from front, place next 7-8-8-9-10-13-15 sts onto waste yarn for underarm, knit 45-48-52-55-58-59-61 sts from second sleeve and knit the last 27-29-30-32-34-38-40 sts from back = 210-224-238-252-266-280-294 sts. The beginning of round is now on the right side of the mid-back. Work the colorwork pattern and decreases following the chart. Change to shorter circular needle as the number of stitches gets smaller. Once you have completed the chart, you have 90-96-102-108-114-120-126 sts on the needle. Next, start working short rows for shaping the back neck. **Row 1 (RS):** K33-35-37-40-42-44-46, inc 1 (= on RS K1 into st on previous row; on WS P1 into st on previous row) and slip this st onto left needle, then leave yarn on WS and turn. Note: The increased stitch will form a pair with the next stitch. **Row 2 (WS):** Sl1, P63-67-71-77-81-85-89, inc 1 and slip this st onto left needle, then leave yarn in front of the work and turn. **Row 3:** Sl1, K53-57-60-65-69-72-75, inc 1 s and slip this st onto left needle, then leave yarn on WS and turn. **Row 4:** Sl1, P43-47-49-53-57-59-61, inc 1 and slip this st onto left needle, then leave yarn in front of the work and turn. **Row 5:** Sl1, K33-37-38-41-45-46-47, inc 1 s and slip this st onto left needle, then leave yarn on WS and turn. **Row 6:** Sl1, P23-27-27-29-33-33-36, inc 1 and slip this st onto left needle, then leave yarn in front of the work and turn. **Row 7:** Sl1, knit to beginning of round. Knit 1 round and at the same time work the sts increased on RS together with the **next** st as K2tog but work the sts increased on WS together with the **previous** st as K2tog.

**Neck:** Change to smaller circular needle, start working in Rib St and at the same time decrease as follows:  
**Rnd 1:** \*K1, K2tog, P1, P2tog\*, repeat \*-\* to end of rnd = 60-64-68-72-76-80-84 sts. Work 5 rnds in Rib St and then 5 rnds in St St. Bind off using a stretchy bind-off method.

**Finishing:** Graft underarm sts together and weave in loose ends. Gently squeezing hand-wash the garment in lukewarm water using wool-detergent. Rinse thoroughly and add a drop of fabric softener in the last rinse water. Do not dose detergents excessively. Lay the garment flat in measurements on a flat surface. If necessary, lightly steam from the wrong side.
