

MIDWINTER WREATH

Design: Lankava Oy, Mirka Korpela

Finished size: n. 28x30 cm

Yarn: Raffia yarn (100 % Rayon, 40 g = 90 m), 80 g White (01), Decofur sim yarn (80 % PES, 20 % ME, 100 g = 100 m) 100 g White (5501) and for warp thread 6-ply Liina cotton twine (100 % CO , 500 g/ cone) appr. 6 m Unbleached (2).

Other supplies: knot tool (Alize A), 20 cm metal heart, scissors

Instructions: Make a warp for the knot tool according to instructions on the package. Measure and cut 50 cm pieces from the Raffia and Decofur yarns. Fold the yarn piece in four and tie it to the warp of the knot tool. Leave appr. 10 cm extra to the beginning and the end of the knot band for tying the warp ends together. Place one strand of Decofur into the same knot with every 5th Raffia-knot as follows: Twist the Decofur around the Raffia before folding it. The knot band is long enough when all Raffia has been tied to the warp. Twist the band tightly around the metal heart. Tie the ends of the warp threads together.

Finishing: Tie a hanging loop of fishing line or cotton twine to the top of the heart.
